

INVENTOR ASIA CO., LTD.
.CORPORATE PROFILE

WHO WE ARE

We are a multidisciplinary creative agency, founded in 2018 in Phnom Penh, Cambodia. We offer comprehensive services encompassing the entire customer journey, including design, media, import & export, and digital services.

VISION

We are committed to providing and supporting effective and practical solutions to help businesses enter the market and adapt to the digital age. We believe in our ability to turn your idea into reality through innovative strategies with reliability.

MISSION

Our mission is to build a bridge for your business through creative and digital elements. We strive to be the place where your problem can be solved with practical and effective solutions, and propel your business to the public with confidence and trust.
